RAJESH KODAGANTI

Software Intern | Computer Engineering Student

kodagantir295@gmail.com | +1 (747) 366-0793

LinkedIn: linkedin.com/in/rajesh-kodaganti-323118215

EDUCATION

California State University, Northridge
Master of Science - Computer Engineering | Aug 2022 - May 2025
Relevant Coursework: Machine Learning, Data Engineering, Cybersecurity

JB Institute of Engineering and Technology
B-Tech in Electronics and Communication Engineering | July 2019 - June 2022
Grade: 7.45/10

EXPERIENCE

Quadrant Technologies - Software Intern | July 2025 - Present
â¢ Risk assessments and vulnerability scanning
â¢ Threat intelligence research and mitigation strategies
â¢ Cloud security monitoring and compliance

QikCell by tickioT - Solutions Engineer Intern | Jan 2025 - May 2025
â¢ Technical demonstrations and client engagement
â¢ Solution documentation and troubleshooting

ColorOS (OPPO) - User Test Specialist | June 2018 - July 2022
â¢ Beta testing for ColorOS versions 5.0 to 12.1
â¢ Bug identification and user experience enhancement

TECHNICAL SKILLS

Programming: Python, R, Java, C/C++, SQL, JavaScript, HTML/CSS
Technologies: Machine Learning, Deep Learning, TensorFlow, Keras
Cloud & DevOps: AWS, Azure, Docker, Kubernetes, Git
Security: Cybersecurity, Network Security, Penetration Testing

KEY PROJECTS

Image Denoising using Deep Learning - 15% improvement in PSNR
Pre-owned Cars Pricing Forecast - 92% prediction accuracy
ColorOS Mobile Interface Enhancement - 30% user engagement increase
